

platinum Machine Film **MaX**

Stretch Film has hit the MAX

Film Thickness

Roll Width	(micron)	Roll Length	Lbs/Roll
500mm	9.9	9000	27.66
750mm	9.9	9000	41.55
500mm	11.1	7500	26
750mm	11.1	7500	39.07
500mm	12.2	6500	24.59
750mm	12.2	6500	36.94
500mm	14	6000	26
750mm	14	6000	39.07
500mm	15.5	5500	26.44
750mm	15.5	5500	39.72
500mm	17.8	5000	27.58
750mm	17.8	5000	41.44
500mm	20.3	4000	25.22
750mm	20.3	4000	37.89
500mm	22.9	3750	26.6
750mm	22.9	3750	39.95
500mm	25.4	3500	27.58
750mm	25.4	3500	41.43
500mm	26.7	3250	26.89
750mm	26.7	3250	40.4
500mm	27.9	3000	26
750mm	27.9	3000	39.07

500mm = 50 Rolls/Skid 750mm = 25 Rolls/Skid

Just when you thought the Platinum line was the best stretch you could get, Samuel Strapping now offers Platinum Max for your machine wrapping needs. The new proprietary resin technology makes our film the thinnest and strongest film in the industry. You'll be able to save by down gauging your film and still keep your top level holding force with pre-stretch levels up to 300%. Contact your local Samuel Strapping office today to learn more about Platinum Max Machine Film!

Key Characteristics
